in den vergangenen jahrzehnten hat die metaphor in der philosophie zunehmend beachtung gefunden und
wurde zu einem zentralen thema mit dem kant sich in seiner kritischen philosophie in begriffen von analogie
und symbolisierung beschäftigt sein beitrug zur entwicklung unseres verständnisses der rolle die bilder
metaphern und symbole in theoretischer und praktischer hinsicht leisten ist bedeutend zudem ist kant selber
auch als schöpfer von metaphern weithin bekannt symbole analogien und ästhetische ideen sind unleugbar
metaphorische verfahren die eine ebenso grundlegende wie systematische funktion in kants philosophischer
sprache einnehmen dieser sammelband ist das ergebnis einer neueren initiative seitens einer internationalen
gruppe von mit kant befassten philosophen und kant spezialisten um die erforschung von themen zu befördern
die noch nicht umfassend bearbeitet sind das trifft mit sicherheit auf die metaphor thematik in kants
philosophie zu der der vorliegende band gewidmet ist in recent decades metaphor has become a respectable
and central theme in philosophy in his critical philosophy kant treats this theme in terms of the notions of
analogy and symbolization in addition to contributing significantly to the development of our understanding of
the role played by images metaphors and symbols in both theoretical and practical issues kant is also widely
recognized as a great creator of metaphors in his own right symbols analogies and aesthetic ideas are
undeniably metaphorical processes which fulfill a function in kant's philosophical language that is as
fundamental as it is systematic this collected volume is the result of a recent initiative on the part of an

international group of kantian philosophers and scholars to promote research on topics that have yet to be thoroughly explored in academic research this is certainly true of the topic of metaphor in kant s philosophy to which the present volume is devoted
